December 2015

Dear Parents of Eighth Graders (Class of 2020):

As you prepare for your eighth grade student's transition to high school, please look for your student to bring home information during the week of January 12, 2016 about course enrollment for 2016-17. This information will contain a letter from District 204, and a course selection tip sheet that includes instructions for online course selection through Home Access Center. For more information, please link to the Hot Topics button at the top of the NVHS website.

We'd also like to remind you of our informational evening entitled **Neuqua Valley's High School 101**. This presentation will focus on what you need to know about the upcoming transition to high school and course enrollment. We offer two opportunities to attend:

Tuesday, January 5 or Thursday, January 7 **NV Main Auditorium 7:00pm**

Eighth grade parents and students should also plan to attend the **Eighth Grade Open House Program** at Neuqua Valley High School. This evening provides opportunities to talk with faculty from each department as you finalize course selections for your student's freshman year. Counselors will be available at the Open House to assist with online course selection questions and concerns.

Thursday, January 21	**Last Names A-L**	**NV Main Gym 6:30pm**
	Last Names M-Z	**NV Main Gym 8:00pm**

We look forward to seeing you in January,

Sincerely,

Robert McBride, Ed.D., Principal
