We will review specific PARCC tools with students so students should feel comfortable and confident with the assessment. Student attendance is important each school day and any absent students will have make up testing in April. Please help us prepare students for testing by ensuring a good night's rest and a healthful breakfast and lunch.

Please call me with any questions regarding PARCC. I can be reached at 630.428.6116. Thank you for your attention to this assessment information.

Kindly~
